**TOWERS LOCATED AT LADY YOUNG GARDENS, MORVANT.**

The following Errata was issued by the Commission on 12<sup>th</sup> September 2016, and is to be inserted as **page 180A** of the Report of the Commission of Enquiry into the construction of the Las Alturas Towers, Morvant submitted to His Excellency the President of the Republic of Trinidad and Tobago on 7<sup>th</sup> September 2016.

**ERRATA**

(Correction to page 178)

**ABSTRACT**

Part D of Chapter 7 of the Report deals with "**Liability**". At para. 7.77, (lines 1-4) the Report states-

*"... It was under his stewardship [Mr. Garcia's] that Buildings "H" and "I" were proposed to be built in an area unsuitable for development and were recommended for demolition."*

Chapter 8 of the Report lists all the Conclusions and Recommendations contained in the Report.

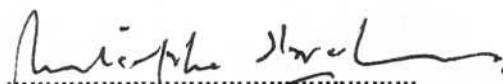

Para. 7.77 of Chapter 7 should have been replicated in Chapter 8 at Para 4 on page 178. However, as a result of clerical errors in the preparation of the Report, the words "proposed to be" were inadvertently omitted in line 4 and the

words "were recommended for demolition" were erroneously inputted as "earmarked to be demolished".

**CORRECTION**  
**(page 178, para 4)**
