

**REPORT OF THE AUDITOR GENERAL OF THE REPUBLIC OF TRINIDAD AND TOBAGO ON THE STATEMENT OF RECEIPTS AND PAYMENTS OF THE INTELLECTUAL PROPERTY OFFICE FOR THE YEAR 2014 JANUARY 01 TO 2014 DECEMBER 31**

The accompanying Statement of Receipts and Payments of the Intellectual Property Office for the year 2014 January 01 to 2014 December 31 (the Statement) has been audited. The Statement is supported by Notes numbered 1 to 9 and Schedules numbered 1 to 7.

**MANAGEMENT'S RESPONSIBILITY FOR THE FINANCIAL STATEMENT**

2. The management of the Intellectual Property Office is responsible for the preparation and fair presentation of the financial statement. This responsibility includes: designing, implementing and maintaining internal control relevant to the preparation and fair presentation of a financial statement that is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

**AUDITOR'S RESPONSIBILITY**

3. The Auditor General's responsibility is to express an opinion on the Financial Statement based on the audit. The audit was carried out in accordance with section 116 (2) of the Constitution of the Republic of Trinidad and Tobago. The audit was conducted in accordance with auditing standards which require that ethical requirements be complied with and that the audit be planned and performed to obtain reasonable assurance about whether the Financial Statement is free from material misstatement.

4. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statement. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statement in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statement.

5. It is my view that the audit evidence obtained is sufficient and appropriate to provide a basis for the opinion expressed at paragraph 6 of this Report.

**OPINION**

6. In my opinion, the Financial Statement as outlined at paragraph one above presents fairly, in all material respects, the receipts and payments of the Intellectual Property Office for the year 2014 January 01 to 2014 December 31, in accordance with the cash basis of accounting.

**SUBMISSION OF REPORT**

7. This Report is being submitted to the Speaker of the House of Representatives, the President of the Senate and the Minister of Finance in accordance with sections 116 and 119 of the Constitution of the Republic of Trinidad and Tobago.

The Intellectual Property Office now falls under the Ministry of Legal Affairs. Pursuant to the provisions of the "Patent Act, 1996", the Controller, Intellectual Property Office has the responsibility for the administration of all laws relating to Intellectual Property.

### **2. Intellectual Property**

### **3. Receipts**

Prior to 1999 October 01, fees were paid in the equivalent value of Trinidad and Tobago Government postage stamps, which were affixed to the documents. From 1999 October 01, all fees became payable by cheques made in favour of the Controller, Intellectual Property Office. Fees are also payable by Linx transaction at the Intellectual Property Office and by cash to the District Revenue Services (DRS) and Treasury.

### **4. Payments**

Expenditure relating to the Intellectual Property Office is met from Parliamentary appropriations and is reflected in the Appropriation Account of the Ministry of Legal Affairs. It is not reflected in the Statement of Receipts and Payments.

### **5. Deposits to Treasury**

Prior to 1999 October 01, the Intellectual Property Office notified the Treasury of its receipts through monthly returns. The Treasury recorded these receipts as revenue of the Office and adjusted the value of stamps as reported by the General Post Office accordingly. From 1999 October 01, daily receipts of revenue are deposited with the Central Bank, and the deposit slips are accepted by the Treasury and recorded as cash received under the various items of revenue. The Treasury in turn issues a deposit receipt.
