

REPORT OF THE AUDITOR GENERAL OF THE REPUBLIC OF TRINIDAD AND TOBAGO ON THE STATEMENT OF RECOVERY OF EXPENSES OF THE MINISTRY OF ENERGY AND ENERGY INDUSTRIES FOR THE YEAR ENDED DECEMBER 31, 2021

OPINION

The Statement of Recovery of Expenses of the Ministry of Energy and Energy Industries (the Statement), for the year ended December 31, 2021 has been audited. The Statement is supported by Schedules numbered 1 to 5.

2. In my opinion, the Statement as outlined at paragraph one above presents fairly, in all material respects, the amounts recoverable by the Ministry of Energy and Energy Industries in respect of the expenses of the administration of the petroleum industry for the year ended December 31, 2021 as shown by the records of the Ministry of Energy and Energy Industries and according to information and explanations provided by management of the Ministry of Energy and Energy Industries.

BASIS OF OPINION

3. The audit was conducted in accordance with the principles and concepts of International Standards of Supreme Audit Institutions (ISSAIs). The Auditor General's responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of this report. The Auditor General is independent of the Ministry of Energy and Energy Industries in accordance with the ethical requirements that are relevant to the audit of the financial statements and other ethical responsibilities have been fulfilled in accordance with these requirements. It is my view that the audit evidence obtained is sufficient and appropriate to provide a basis for the above audit opinion.

RESPONSIBILITIES OF MANAGEMENT AND THOSE CHARGED WITH GOVERNANCE FOR THE FINANCIAL STATEMENTS

4. Management of the Ministry of Energy and Energy Industries is responsible for the preparation and fair presentation of the Statement and for such internal control as management determines is necessary to enable the preparation of the statement that is free from material misstatement, whether due to fraud or error.

5. Those charged with governance are responsible for overseeing the Ministry of Energy and Energy Industries financial reporting process.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF FINANCIAL STATEMENTS

6. The Auditor General's responsibility is to express an opinion on these financial statements based on the audit and to report thereon in accordance with section 116 of the Constitution of the Republic of Trinidad and Tobago.

7. The Auditor General's objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an audit report that includes his opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

8. As part of an audit in accordance with the principles and concepts of ISSAIs, the Auditor General exercises professional judgment and maintains professional skepticism throughout the audit. The Auditor General also:

- Identifies and assesses the risks of material misstatement of the financial statements, whether due to fraud or error, designs and performs audit procedures responsive to those risks, and obtains audit evidence that is sufficient and appropriate to provide a basis for an opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtains an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Ministry of Energy and Energy Industries' internal control.
- Evaluates the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Evaluates the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

9. The Auditor General communicates with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that were identified during the audit.

SUBMISSION OF REPORT

10. This Report is being submitted to the Speaker of the House of Representatives, the President of the Senate and the Minister of Finance in accordance with sections 116 and 119 of the Constitution of the Republic of Trinidad and Tobago.

11. The Report has also been submitted to the Minister of Energy and Energy Industries for his attention. A copy of the Report has been sent to the Permanent Secretary, Ministry of Energy and Energy Industries for information and necessary action.

SCHEDULE 5

NOTE 1 STATEMENT OF RECOVERY OF EXPENSES

Pursuant to **Sections 72, 73 and 74 of Chap. 62:01** of the Petroleum Regulations, every licensee shall pay a petroleum impost in respect of all petroleum won and saved, at such rates as the Minister of Energy and Energy Industries may determine by the issue of a Rating Order, which shall be published in the *Trinidad and Tobago Gazette* at least thirty days prior to the date on which the petroleum impost becomes available.

The Rating Order shall specify the rates of petroleum impost payable in respect of crude oil and natural gas won and saved during the year ended on the 31st December preceding the date on which the petroleum impost becomes payable.

The rates specified in the Rating Order shall be so calculated and determined as to provide in the aggregate the funds necessary to cover all the annual expenses of the Ministry of Energy and Energy Industries, including salaries, pension contributions, maintenance and other expenses of or incidental to, the due administration of the petroleum industry.

Where a licensee ceases operations before the issue of a Rating Order relating to the year in which he so ceases to operate, he shall pay petroleum impost at the rates specified in the Rating Order of the preceding year.

NOTE 2 NON-ADMINISTRATIVE EXPENSES OF THE MINISTRY OF ENERGY AND ENERGY INDUSTRIES

Shortfall in Subsidy Re: Sale of Petroleum Products (Item 40/04/007/01) and Transfers to State Enterprises (Item 40/04/011) are not included in the Statement of Recovery of Expenses of the Ministry of Energy and Energy Industries, because these items are not administrative expenditures of the Ministry of Energy and Energy Industries.

NOTE 3 PENSION CONTRIBUTION
