**Fourth Report of the Joint Select Committee on Land and Physical Infrastructure on an
Inquiry into the Impact of landfills on the environment of Trinidad and Tobago**

I refer to the Report at caption which was presented in the House of Representatives on December 09, 2022 and in the Senate on December 13th, 2022.

The Division of Health, Wellness and Social Protection acknowledges the findings and recommendations identified in the report, and believe that by implementing these recommendations, we can make significant progress towards resolving the problems and improving the situation at the Studley Park Integrated Waste Facility and Waste Management on the island of Tobago.

The Division agrees with the findings and recommendations of the report and believe that they offer a clear path forward for addressing the issues at hand. We appreciate the work done in this report, and will continue to work assiduously to implement all recommendations made. This will require commitment, resources, and cooperation from all stakeholders involved.

Respectfully,

Administrator
