**YEAR 2019 REPORT OF THE ELECTIONS AND BOUNDARIES COMMISSION  
ON THE REVIEW OF CONSTITUENCY BOUNDARIES PUSUANT TO SECTION  
72 OF THE CONSTITUTION OF THE REPUBLIC OF TRINIDAD AND TOBAGO**

*TO: DR. THE HONOURABLE KEITH ROWLEY,  
PRIME MINISTER*

*AND*

*THE HONOURABLE BRIDGID ANNISSETTE-GEORGE,  
SPEAKER OF THE HOUSE OF REPRESENTATIVES*

The Elections and Boundaries Commission (the Commission) hereby submits its Year 2019 Report on the review of the number and boundaries of the constituencies into which Trinidad and Tobago is divided, pursuant to Section 72 of the Constitution of the Republic of Trinidad and Tobago (the Constitution).

Specifically, subsection 72(1) of the Constitution requires the Commission to review, periodically, the number and boundaries of the constituencies into which Trinidad and Tobago is divided for the purpose of elections to the House of Representatives (the House); and to submit to the Speaker of this body and to the Prime Minister for presentation to the House, reports either:-

- “(a) showing the constituencies into which it recommends that Trinidad and Tobago should be divided in order to give effect to the rules set out in the Second Schedule; or
- (b) stating that, in the opinion of the Commission, no alteration is required to the existing number or boundaries of constituencies in order to give effect to the said rules.”

Subsection 72(2) of the Constitution prescribes as follows:

“Reports under subsection (1) shall be submitted by the Commission not less than two nor more than five years from the date of submission of its last report.”

The last Report of the Commission, executed in pursuance of its responsibilities under subsections 72(1) and 72(2) as aforementioned, was submitted on March 27, 2014. Thus, the deadline for the submission of the instant Report (the Report) is March 26, 2019.

The Report is submitted for such action as is provided for by subsections (3) and (6) of Section 72 of the Constitution which prescribe as follows:

- “(3) As soon as may be after the Commission has submitted a report under subsection (1)(a) the Minister designated by the Prime Minister for this purpose (in this section called “the Minister”) shall lay before the House of Representatives for its approval the draft of an Order by the President for giving effect, whether with or without modifications, to the recommendations contained in the report, and that draft may make provision for any matters which appear to the Minister to be incidental to or consequential upon the other provisions of the draft.”
- “(6) Where any draft made under this section is approved by resolution of the House of Representatives, the Minister shall submit it to the President who shall make the Order in terms of the draft; and that Order shall come into force on such day as may be specified therein and, until revoked by a further Order made by the President in accordance with the provisions of this section, shall have the force of law.”

### PRESCRIBED CONSTITUENCIES

It should be noted that with respect to elections to the House, Section 70 of the Constitution stipulates that:

- “(1) Trinidad and Tobago shall be divided into thirty-six constituencies or such other number as may be provided for by an Order made by the President in accordance with the provisions of this Part and each such constituency shall return one member to the House of Representatives.
- (2) Not less than two such constituencies shall be in the Island of Tobago.”

However, on the recommendation of the Commission contained in its Year 2004 Report, the number of constituencies in Trinidad was increased from thirty-four (34) to thirty-nine (39); while the number in Tobago remained at two (2); totalling forty-one (41) constituencies throughout the Country.

In this regard, reference is made to The Elections and Boundaries Commission Order, 2015 made by the President of the Republic of Trinidad and Tobago, and published as Legal Notice No. 61 in Legal Supplement Part B, Vol. 54, No. 42 dated 30<sup>th</sup> April 2015 which prescribes as follows:

“Trinidad is hereby divided into thirty-nine constituencies the boundaries whereof are defined in the Schedule to this Order and Tobago remains divided into two constituencies.”

The Commission finds no reason to recommend a change in this arrangement.

### THE ANNUAL LIST

Subsections (1) and (2) of Section 29 of the Representation of the People Act, Chapter 2:01 (the Act) provide as follows:

- “29.(1) The Commission shall, in respect of each Parliamentary, Municipal Council and the Tobago House of Assembly electoral district, publish on 1<sup>st</sup> July of every year a list (hereinafter referred to as the annual list) of all persons qualified to be, and duly registered as, electors in that electoral district.
- 29.(2) The annual list shall continue in force until 30<sup>th</sup> June of the following year and on the commencement of an electoral registration shall be deemed to be the preliminary list of electors for that electoral district.”

The Annual List of Electors which was published on 1<sup>st</sup> July, 2018 contained a total of one million, one hundred and twenty thousand, six hundred and thirty-one (1,120,631) names of registered electors. Of this number, one million, seventy thousand, nine hundred and fifty-seven electors (1,070,957) were registered to vote in Trinidad; while forty-nine thousand, six hundred and seventy-four (49,674) were registered to vote in Tobago.

For the purposes of this Report, however, the Commission utilised the numbers reflected on its database as at 4<sup>th</sup> December, 2018. The data obtained, revealed that on that date the number of registered electors in Trinidad and Tobago stood at one million, one hundred and twenty-four thousand, one hundred and fifty-one (1,124,151). Of these, one million, seventy-four thousand, two hundred and twenty-four (1,074,224) were registered to vote in Trinidad; with the remaining forty-nine thousand, nine hundred and twenty-seven (49,927) being eligible to vote in Tobago. A listing of the Registration Areas in Trinidad and Tobago, showing the number of electors in each, is provided at **Appendix A**.

In **Appendix B**, comparative data are tabulated for Trinidad and for Tobago showing the distribution of the electorate, by constituency, given in (a) the Commission’s Year 2014 Report on the Review of Constituency Boundaries pursuant to Section 72 of the Constitution, and (b) the instant Report.

**APPLICATION OF THE DELIMITATION OF CONSTITUENCIES RULES**

In the Second Schedule of the Constitution, the following prescriptions are provided under “**BOUNDARIES AND CONSTITUENCIES**”:

- “1. These rules are the Delimitation of Constituencies Rules in accordance with which the constituencies of Trinidad and Tobago are to be delimited under section 72(1).
2. Subject to paragraph 3, the electorate shall so far as is practicable be equal in all constituencies.
3. The number of constituencies in Tobago shall not be less than two.
4. In Trinidad and in Tobago, respectively, the electorate in any constituency shall not be more than one hundred and ten per cent nor be less than ninety per cent of the total electorate of the island divided by the number of constituencies in that island.
5. Special attention shall be paid to the needs of sparsely populated areas which on account of size, isolation or inadequacy of communications cannot adequately be represented by a single member of Parliament.
6. Natural boundaries such as major highways and rivers shall be used wherever possible.
7. In this Schedule “Trinidad” means the Island of Trinidad and its offshore islands, and “Tobago” means the Island of Tobago and its offshore islands.”

Upon application of Rule 4 of the Second Schedule referred to in the foregoing, the relevant parameters shown in the table below were determined using the figures for the total electorate in Trinidad, and in Tobago respectively; that is, one million, seventy-four thousand, two hundred and twenty-four (**1,074,224**), and forty-nine thousand, nine hundred and twenty-seven (**49,927**).

<b>BAND PARAMETER (ELECTORS)</b>	<b>TRINIDAD</b>	<b>TOBAGO</b>
Average per constituency	27,544	24,964
Permissible Upper Limit	30,298	27,460
Permissible Lower Limit	24,790	22,468

Inspection of the data contained in the table labelled **Appendix C**, which shows the distribution of the electorate in Trinidad and Tobago, reveals that two (2) constituencies, viz: Couva North and Toco/Sangre Grande fall above the Permissible Upper Limit; while four (4) constituencies, viz: Port-of-Spain North/St. Ann’s West, Port-of-Spain South, San Fernando West and Oropouche West fall below the Permissible Lower Limit.
